### **Pahrump Valley Times**

Letters to the editor that are chock full of obvious factual errors could have a note from the editor attached at the bottom. The writer must sign letters and provide a telephone number or they will either be wadded up and tossed in the round file or summarily deleted from the e-mail account. Please limit letters to 300 words or less, especially if you'd like to see them in print. And yes, they will be edited for libel. Letters will be corrected for grammar and spelling, unless you're Billy Ray Bass and you hate the English language almost as much as you apparently hate Pahrump
